Together Mt. Carmel and St James are hosting a pilgrimage to the beautiful St. Stanislaus Kostka and St. John Cantius Churches in Chicago, IL, on Friday, Sept. 16, 2016. St. Stanislaus Kostka is a pilgrimage site during this year of Mercy and as such their doors are Holy Doors. Those who enter the Sanctuary may gain a plenary indulgence. Both parishioners and non-parishioners are invited to join us. Registration fee per person is \$35, which covers the bus, bus driver gratuity, snacks and donations for the church tours. A second bus has been added due to demand. For more information, please call or Claudia Presta at [262-914-0672](tel:262-914-0672) or Mary Wanta at [262-654-0064](tel:262-654-0064).

Corpus Christi Blood Drive

Our Lady Of Mount Carmel Parish, in a combined effort with all 6 northside cluster parishes, will have a blood drive and food drive in honor of the Catholic Feast day of Corpus Christi. The actual blood drive will be held on Tuesday June 28th at the parish hall at Holy Rosary from 2:30pm to 7:30 pm. The food and money that is collected will be donated to First Step Services. Sign-ups for the giving of blood will begin the middle of June (06/11 thru 6/26) - so please reserve that June time frame. Most people on medications can still donate blood. Please check the WWW.BCW.EDU website, if you have questions. Baked goods would be appreciated, and would need to be delivered to Holy Rosary by 2pm on 6/28. Hourly door prizes will also be drawn. Our Sanctuary Redecoration Project: Don't forget to donate!

Just a reminder that we have many opportunities to donate toward our sanctuary redecoration. We already have received donations for the tabernacle, the Last Supper scene and the adoring angels for the new high altar, as well as a number of general donations for the overall project. If you have not yet made a donation, please consider doing so, in order that we can plan to go forward with phase 2 of our renovation, the painting of the sanctuary, after the altar is finished. You may donate by check or online at a link on our website, www.OlmcKenosha.org. All donations are tax deductible.

Any questions, call the rectory at 652-7660.

The Fuller Meaning and Impact of Obama's 'Bathroom & Shower' Decree

Laurie Higgins, May 13, 2016, Illinois Family Institute takeaction@illinoisfamily.org

The Obama Administration in yet another demonstration of its infinite hubris and, yes, wickedness has sent a joint letter from the Department of Justice (DOJ) and the Department of Education (ED) to all public elementary, middle, and high schools and universities ordering them to allow gender-dysphoric students to use opposite-sex restrooms, shower rooms, etc. or risk loss of federal funds.

If this newest imperious imperial command prevails, **all public schools** will be required to allow gender-dysphoric students as well as “gender fluid,” “gender non-binary” and “questioning” students to use whichever restrooms and locker rooms correspond to the sex with which the gender genie leads them to “identify.”

Here are just some of the requirements included in this imperial command:

- 1.) On school-sponsored, overnight trips, gender-dysphoric students must be permitted to room with opposite-sex students, and the actual sex of gender-dysphoric students must be concealed from the opposite-sex students with whom they're rooming (unless all students are required to share their actual sex, which until recently would have been unnecessary). Further, schools may **not** require gender-dysphoric students to stay in “single-occupancy accommodations.”
- 2.) In university dorms, gender-dysphoric students must be allowed to room with students of the opposite sex, and the actual sex of gender-dysphoric students must be concealed from their roommates (unless all students are required to share their actual sex).
- 3.) “School staff and contractors” must no longer use pronouns in accordance with sex but rather in accordance with feelings about sex. So, I guess that means teachers will have to use the linguistic inventions by which “gender fluid,” “gender non-binary,” and “gender-questioning” students may want to be referred (e.g., “zie,” “zim,” “zir,” “zirs,” and “zirself”). Big government is restructuring grammar. Astonishing.
- 4.) Gender-dysphoric students must be permitted to use restrooms and locker rooms that correspond to the opposite sex. Schools “may make individual-user options available to all students who voluntarily seek additional privacy.” Two important things to note: First, schools “**may**,” not “**must**” make such options available. Second, this means if girls are not comfortable with a boy in their locker rooms, it is **the girls** who would have to “voluntarily seek additional privacy.”
- 5.) Gender-dysphoric students must be permitted to take single-sex classes with opposite-sex students.

As I have written ad nauseum, this issue is not centrally about restrooms. It is centrally about the reality and meaning of sex differences, which the left seeks to eradicate. (Ironically, when homosexuals claim they are attracted only to persons of the same sex, they affirm and emphasize the reality of sexual differentiation. The left, however, is rarely constrained by foolish inconsistency.)

The left's *disbelief* in the twoness of the sexes defies objective reality. The left's *belief* that subjective feelings about objective maleness or femaleness must trump objective maleness and femaleness in every context from potties to pronouns is a philosophical, political, moral, and theological assumption - not an objective fact. And it's certainly not true.

This, my friends, is something wicked.

St. James the Apostle Catholic Church at 5804 Sheridan Rd in Kenosha welcomes everyone to The Kenosha Civic Veterans Parade, on Sunday July 3rd. St. James will again be selling Hotdogs, Brats, Chips, Soda and Water, prior to and after the Parade in our parking lot, one block north of the Parade Route on Sheridan Rd. All proceeds will be used towards helping to defray the costs of recent structural repairs to the historic Church.
