**Look What's Coming, Folks (and no, this is not a joke): New York Mayor De Blasio orders "transgendered" people (who are one sex but insist they are the opposite sex) must be allowed to use opposite sex bathrooms:** NEW YORK CITY, March 11, 2016 ([LifeSiteNews](#)) -- New York Mayor Bill de Blasio issued an executive order giving men the right to use women's bathrooms and locker rooms, and vice versa. The mayor's edict is called, "Access to Single-Sex City Facilities Consistent With Gender Identity and Expression." It means that all New York City single-gender facilities must accommodate both sexes, including city buildings and offices, parks, children's playgrounds, swimming pools, and more, all access given without showing identification or any proof of gender. Mayor de Blasio declared that transgenders using opposite sex bathrooms and locker rooms "is a fundamental human right" that should not be restricted or denied to any individual." Ironically, he added, "Every New Yorker should feel safe in our city."

Note Well: This is what happens when we elect people to political office who lack or are without strong moral convictions.

Pictured is the 2016 St Joseph Table Holy Family with Father Campbell. Mary was Jacqueline Freeze, Jesus was Carter Allen and Joseph was Vinny Weidner.
